It Always Helps

says Mrs. Sylvia Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give

CARDUI

a trial. I still use Cardui when I feel a little bad, and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of womanly trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.

on straps, held by white crochet buttons. From shoulder seams to skirt bottom extend two plain strips. In good contrast with the pink. This pretty outfit is worn over a white linen guinipee, edged with stout tureen.

PINK IS POPULAR.

A Run on Pinks Shows Many Different Shades For Spring Wear.

Pink is the color of the day in woman's dress.

Pink is not an especially aesthetic color, but it is a becoming color. It brings out the best in its wearer's looks. It has been said that a French woman always knows enough to run her finger with pink ribbons, for she, wise woman, knows that there is charming softness about pink that is found in no other color.

Geranium, petunia, orchid red and other shades with much of the rosiest that makes pink becoming are among the newest colors. And then there are the rose shades we have worn all winter and much of the shade that generally goes by the name pink.

Pink in the form of flowers is much used on spring hats.

One thing that shows the popularity of pink is the rows and rows of bottles of liquid or powder to color water in which pink things are washed. Pink liquid or powder is, and it is added to the rinsing water.

DUNBAR NEWS.

So much of interest has happened since my last communication to the Commercial, I will not attempt a lengthy letter, reciting all that I would like to.

The farmers are more encouraged since we had the much needed rain last Wednesday night. The out and wheat crops were suffering for a shower, and it came in time to make the stalks taller and head well. Gardens are now growing nicely with a bounteous supply of green peas, white cabbage, spring onions and beets. These are always enjoyed at dinner by the men who work in the field.

Mrs. J. M. Mallory, of Savannah, Ga., has visited her parents, Mr. and Mrs. Sam Sparks.

Mrs. J. C. Criger, of Brightwood, Va., with her two daughters, Fannie Hardie and Gladis, is with her parents, Mr. and Mrs. B. B. Weaver. The neighborhood is glad to have them back after an absence of nearly four years.

Miss Mary Halbert, with seven of her class mates came out and were entertained on Saturday with a fish fry in the grove at the home of Mr. P. M. Halbert. Quite a number of friends joined in, which made the occasion a most joyful and happy one for the young people. Fish were served in abundance, besides nice bread and coffee, and the most dainty cakes. Saturday evening the young people were entertained in the home of Mr. and Mrs. B. B. Weaver.

Old Zion Union Missionary Society has held two most interesting meetings. The situation in Mexico was discussed and several papers were read on the subject.

Old Zion school will close May 19. The teacher, Miss Johnson, expects to have the children recite and have several dialogues and songs, and last but not least, a picnic on the school grounds. In fact, all of the acting will be done out doors since the school house is too small to accommodate an audience.

This, the 8th of May, is the most quiet that has been my pleasure to witness in fifty years. Not a drum or rifle have I heard. Not a crowd of dusky damsels with blue ribbons flying from their shoulders, has been in evidence. The boll weevil has been mightier than the sword in enacting this change in our fair land of the free.

Mr. Mathews gave a talk on Preparedness at Murrah's Chapel, and was heard by quite a good crowd who enjoyed the lecture very much.

June will soon be with us and then we hope to hear the reapers cutting grain while the shockers sing old plantation songs. All of this is inspiring to those living in rural districts.

"Gurr-oo!" said the poodle to the bulldog.

"Gurr-oo!" now beat it—see?"

Did he beat it? He did not!

Nay, he slew him on the spot—

CALOMEL SALIVATES

AND MAKES YOU SICK

ACTS LIKE DYNAMITE ON A SLUGGISH LIVER AND YOU LOSE A DAY'S WORK.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and cannot salivate you.

Children and grown folks can take Dodson's Liver Tone, because it's perfectly harmless.

Calomel is a dangerous drug. It is mercury and mercury attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says that if you don't find Dodson's Liver Tone works better than horrible calomel your money is waiting for you.
